

what we do.exe

Creative Content

We are a bunch of people passionate about social media. Being viral is our passion! We have talented and professional writers, creators, designers, illustrators, animators, to keep your brand updated and noticed by our Great Clients, the Netizen.

Social Media Management

Do you think social media is about replying to all messages and comments? It's more than that, darling. Let us do this for you. Our team is experienced and will be pleased to do the task.

what we do.exe

Digital Campaign

No no, we don't run a campaign with roaring motorcycles. We combine data and creativity to ensure your message is well conveyed to our audience. If needed, we will work with influencers.

Media Buying

We know that, sometimes, we need a booster to shoot your contents to the right potential audience. We'll work it out for you, adjusted with your target and budget.

About Us

We are SERUNI, a creative social media agency based in Bandung, or wherever we like to work. We're young, smart, and free! Even the sky is not our limit. We don't work for you, but we want to work with you. Together, let's conquer the digital world.
